Select seat

Class: Y

Are you planning to select a seat in the exit row?

In the unlikely event of an evacuation you will be expected to assist in the opening of the emergency door. Therefore passengers sitting in an exit row must:

- Be over the age of 12 years
- Be fit, strong, and able to assist in the unlikely event of an evacuation of the aircraft during an emergency
- Be able to understand instructions given in Lithuanian or English
- Be willing to assist in the unlikely event of an emergency
- Not be pregnant
- Not be travelling with someone who needs their assistance in an emergency
- Not be travelling with a baby
- Not be travelling with a pet in the cabin

If the selected seat is in the exit row (marked with the letter A), please make sure that you meet all the following conditions. If you do not meet these conditions, please choose another seat which is not in the exit row.

Our airport staff/cabin crew will verify that each passenger meets the emergency exit row seating requirements. Our airport staff/cabin crew is entitled to allocate another seat to a passenger not meeting the necessary requirements.

Please also note that any hand luggage must be stowed in the overhead bins because no objects may be stored in the seating area or under the seats of an emergency exit row.
